Oriental Sumi-e Painting

Sumi-e is a unique, ancient art form. The specialized painting techniques have been handed down from one Japanese master to another through the centuries. Artists use rice paper, sumi-e ink, ink stone and brushes. Sumi-e painting is characterized by the use of fundamental brush strokes that are based on simple lines and dots.

Cartoon Drawing

Cartoon classes follow our same quality, step-by-step Young Rembrandts' method, with the additional fun and excitement of cartooning. The original Young Rembrandts' cartoon lessons teach children how to create new cartoon characters, draw action, movement and sound, draw expressions and convey moods, and develop a series of drawings to tell a joke. While cartooning is fun and engaging, children will gain mastery in a unique drawing style and improve their core learning skills. All new lessons each session.

Elementary Drawing

Young Rembrandts' acclaimed drawing method teaches children to break down the complex objects into basic foundational shapes. As they learn to deconstruct and reconstruct images, the experience, repetition and variety of engaging and relevant subject matter brings them to increased levels of mastery in drawing – and in life. Students complete one new drawing each week, they learn a variety of art concepts including: portraiture, line and patterning, still life, art vocabulary, color theory, realism/abstract, fundamental composition skills and perspective. All materials provided. All new lessons each session.
